## ABOUT

The purpose of this trip is to develop and expand our understanding and knowledge of the Japanese culture as related to the areas of art, architecture, cuisine, history, and identity on a national and international level; in particular, the physical location of Japan as compared to the state of Missouri within the United States. The short-term, study away program will also investigate influences between the East and the West. In particular, aesthetic and cultural ideas and influences between Japan and France will be explored, including dynamic relationships in the areas of: art and cuisine; the economy and medicine; and, nuclear energy and the military.

### Cities to be visited:

Tokyo, Kyoto, and Osaka.
